

**MEASURING**

It's time to start measuring already. We will be measuring the students during their class. This is so we can order their costumes.

**IT'S FUNDRAISER TIME**

**Are you ready to earn some money!**  
 The time is here for our ANNUAL fundraiser where your child can earn prizes and possibly a **LIMO RIDE and YOU CAN EARN SOME MONEY** toward your Center Stage Account. This credit is NON-REFUNDABLE, but can be used toward your costume bill, competition fees or your monthly tuition. You should receive your fundraiser packet the week of Oct. 10, 2011.  
**\*\*Center Stage does not benefit from this fundraiser, it is solely to help out our families in this time of need.**  
 ☺

**REMINDER:**  
**BRING A FRIEND WEEK**

Oct 25-27th, 2011

Our 3<sup>rd</sup> annual Bring a Friend Week will be held the week of Oct. 25-27th, 2011 during your child's regular class time. Each child will be given 1 invitation to give to the friend of their choice, preferably a non Center Stage Student, so they can attend their class with them that week. The back will need to be filled out by the friend and turned into the teacher the day of class. **A gift bag will be given to each friend as well as ALL students who bring a friend that week.**

**REMINDER**

Parents please stay out in the hallway by the doors while your child is dancing. This is for security purposes.
